

37340

Ultra-Durable™ Adhesive Backed Vinyl - MATTE 6 mil / 6 mil

PRODUCT DESCRIPTION

37340 is a premium outdoor vinyl offering unparalleled imaging performance, outdoor durability and fade resistance with aqueous inkjet printers. **Ultra-Durable™** 37340, starts with a calendared vinyl base and lay flat paper release liner. The matte, outdoor durable coating produces vivid color graphics, ideal for the most extreme applications.

SPECIFICATIONS

Caliper	6 mil /12 mil with liner
Gloss (60°)	matte
Opacity	84%
Whiteness	106

*All values listed are target values

FEATURE	ADVANTAGE
Calendared Vinyl	Conforms to uneven surfaces
Waterfast Coating	Outdoor Durable
Permanent / Acrylic Adhesive	Long Lasting Outdoors
Universal Compatibility	Reduce SKUs
Extreme Outdoor Coating	Long Lasting Outdoors
Excellent Lamination Properties	Create durable graphics
Lay Flat Release Liner	Easy to apply to mounting surface
Outdoor Durable - 1 year without lamination	Arternative to Solvent Inkjet

Lucia Pigment

FINISHING RECOMENDATIONS

Protect prints imaged with dye inks under glass or laminate to increase gas-fastness.
Use low melt or pressure sensitive laminates to extend the life of the print and increase its durability.
For best results use thinner and flexible laminates.
Allow 24 hours for ink to cure before protecting image.

STORAGE CONDITIONS

Temperature 59o-86oF. (15°-30°C).
Repack opened rolls when not in use.
One year shelf life at conditions noted above.
Allow material to stabilize to room conditions for 24 hours before use.
